

Sports Funding at Inkpen Primary School 2016-17

Our aim for all children leaving Inkpen Primary School to be physically literate, armed with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport

Total Funding 2016 – 2017: £8,360 + Carry forward from 2015-2016 £8,360 + £2,352 carryover Total £10,712					Total Costings 2016 – 2017 £9,608, Carryover £1,104	
Primary PE & Sport Premium Key Indicator Outcome	School Focus – Planned Impact on pupils	Actions to achieve	Planned Costs	Actual Costs	Actual Impact, following review, on pupils Including evidence	Sustainability & Next Steps
The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles	Pupils are engaged and enthusiastic about sport in school, including after-school clubs	Specialist PE coach to teach across the school alongside staff PE Coach to run after-school club to give additional opportunities PPG pupils to be paid for from PPG grant	£4,450	£4295	All children in school have at least 2 hours of PE a week. They are all enthusiastic about their PE provision (Pupil Voice) All children had a range of sports coaching throughout the year, allowing them access to a variety of different activities, some of which they had not experienced before (hockey & Curling). The focus for sports was around developing skills though invasion games, net and wall games, striking and fielding skills and athletics Out of school clubs were all well attended and included judo, multi-skills and indoor games such as archery and curling.	Conduct a survey of sports activities attended by children outside school – check on a yearly basis to see if attendance grows Completed
The profile of PE and sport being raised across the school as a tool for whole school improvement	The profile of sport is raised across the school for pupils, leading to a more rich and varied curriculum for all as it is incorporated into all subjects	One-off opportunities for the children in a range of sports, including dance linked to other areas in the curriculum Ballet Central etc Canoeing for Y6 A range of good quality equipment allows children access to a range of sports and gives them a	£1000 **	£1634.25	Ballet Central Dance workshop linked to Anti-Bullying week – Self esteem Bollywood Dancing – Linked to RE and Hindu Festivals Kayaking for Y6 – Transition project Climbing Wall – Whole school challenge opportunity The profile of PE in school is now much higher, with all children taking pride in the sports they take part in. There have been numerous one-off opportunities for the	Continue to deliver one-off opportunities to give children a taster of the wide range of sports that are available to them Link to other curriculum areas as much as possible

		sense of pride in what they can do			children, as well as an increase in tournaments attended. In addition, the increase in skills observed in the children has given them extra confidence in themselves as athletes	Invite an Olympic or Paralympic athlete in to talk to children Include X-Curricular element of writing... Good way to engage boys in writing... Completed
Increased confidence, knowledge and skills of all staff in teaching PE and sport	Pupils benefit from improved delivery of all PE Skills learnt are sustainable	Staff to work alongside PE Coach for CPD purposes			A specialist sports coach and additional gymnastics teacher have resulted in an increase in the quality of PE teaching as well as an increase in teachers' skills from working alongside the coaches. Ideas for lessons are more imaginative leading to greater levels of engagement from the children.	Employment of a specialist dance coach in order to develop staff skills in this area.
Broader range of sports and activities offered to all pupils	Introduction to a wider range of sports for pupils New equipment enabling a greater range of sport to be taught	A range of "one-off" opportunities for pupils to take part in over the year. Canoeing - Adventure Dolphins Dance - Ballet Central Greater opportunities given through affiliation New equipment to engage and enthuse pupils in a range of new sports +Equipment audit Specialist coach with knowledge of a wider range of sports	£750	£770.76	Purchase of new equipment has allowed children to access a greater range of sports, including indoor curling, archery and hockey Y6 were given the opportunity after SATS to attend a 6-week course in kayaking and canoeing – all benefitted from the experience and had a sense of achievement resulting from it, which they were able to transfer into increased confidence as they progressed onto secondary school. Ballet Central workshops were delivered to all juniors Bollywood dancing workshops had whole school participation	Continue to build up high quality equipment to further increase range of sports available to children Improve provision for dance for whole school with the introduction of a specialist coach
Increased participation in competitive sport	Opportunities for pupils to enter more tournaments, increasing participation in competitive sport	Affiliation with West Berks Partnership and N&D Football Association Activities to be time-tabled to give pupils experiences of particular sports before	£2,800	Affiliation £2718	A growing range of tournaments competitions have been offered to children this year, including: 5, 6 & 7-a-side football tournaments, Cross-country, netball, Sportshall athletics, Tag Rugby & Kwik Cricket. We are a very small school and so do not generally win against larger schools; however, results in all	Increase tournaments entered in the next academic year

	Money used to pay for coaches to attend events	tournaments Eg: Tag Rugby Sports hall Athletics Archery Kwick Cricket X-Country This range of tournaments can then gradually be extended		Coaches £190	competitions are gradually improving, the children's skills and confidence improve.
