

Tuesday 19th September

Welcome back to a new term and a new year!

It is lovely to see how quickly all our new children have settled into the routine of school, as well as all those who have returned for a new year. We also welcome back Year 6 from their week away at Osmington Bay. A wonderful week was had by all!

On Monday 25th September, we will once again, be celebrating "European Day of Languages". The children will be presenting songs they have learnt in French and German, followed by croissants and a drink for all. The event will start at 9.00 and finish by 9.45, for the children to return to lessons. All parents are invited but please feel free to ask anyone who may not have a child in school, but might still be interested in joining us.

New Fencing...

Also starting on Monday, will be work on our new fence. The priority now placed on safeguarding in schools, has meant that OFSTED has a particular focus on keeping children safe. For this reason, following our OFSTED in July, our fencing needs to be upgraded to bring it in line with current Health & Safety standards. The contractors have promised to keep any inconvenience to a minimum and work should be finished by Friday. The gates will continue to be open to all at the beginning and end of school.

School Dinners

School dinners are now £2.30 each day.

Unfortunately, Sarah Jane has now been told not to cook additional meals in case a child forgets to order. Although all children are reminded to order, some do still forget and we would not like to see them go hungry. If possible, we would recommend you order and pay on-line so this does not become an issue. A reminder also for new Year 3 parents, that once they leave Year 2, children are no longer given a free meal.

On Tuesday 3rd October, each class will be holding a welcome session to which all parents are invited. It is an opportunity for you to come in and get to know your child's teacher as well as a chance to ask any questions you may have. Staff will coordinate talks so that you can visit more than one class if necessary.

Drop-off Zone Reminder

Please could everyone remember not to park in the morning drop-off zone when bringing your child to school. We really cut down on congestion if this space is kept free for older children to be dropped off quickly and even 1 car parked for a short time can cause a problem.

Thank you

A date list will be sent out early next week but, in the meantime, please look at the website as it is updated on a regular basis.

Thank you, as always for your continued support,

Mrs K
