

## Santa's Visit to Inkpen School

Dear parents and carers,

**Father Christmas will be visiting the school on 15 December to see the children and bring them a small gift each.**

Each child will have the opportunity to join Santa for a chat with their classmates and to ask him any questions they have, before receiving a present from the man himself.

**There is no charge for this event.** The PSA will be working with Santa to ensure there are gifts for everyone who wants to visit him.

If your child/children would like to take part, please fill in the form below and return it to Mrs Tillett by Friday 8th December.

Thanks,

*The Inkpen Primary PSA*

### Santa's Visit

Yes, I want to meet Santa!

Name of child/children –

Class –

## Christmas Cupcakes Event

Dear parents and carers,

As Santa has been invited by the PSA this year and there will be no charge for his visit, we have arranged an additional fund raising event for the same day - a **Cake Decorating event on 15 December.**

Throughout the day each child will have the opportunity to decorate some tasty cupcakes ready for Christmas. They'll be able to bring the cakes home at the end of the day to share with their family.

The cakes, decorations and expertise are all being supplied by Becci Cox who, as the owner of Eden Coffee Shops, is an expert in creating tasty treats!

Tickets cost £2.50 per child and include everything required for delicious cupcake creation.

We want everyone to be able to take part in this activity so if you are struggling at this very expensive time of the year, please speak in confidence to Mrs Tillett and we'll sort something out.

For your child/children to take part, please fill in the form below and return it to Mrs Tillett along with your money by Friday 8th December.

We look forward to seeing them for some cake decorating fun!

Thanks,

*The Inkpen Primary PSA*
