

Climbing Frame

It is lovely to see the new climbing frame finished at long last. The second stage will be completed during summer, in the May half term – ready for Year 6 to enjoy before they leave us!

Unfortunately, the skip lorry broke one of the man-hole covers in the playground last week. The children have all been spoken to and know not to go past our row of cones. The hole is actually covered by a grill and the goal posts but I would ask that you keep an eye on smaller children at pickup times to ensure they do not wander near. We have been promised that the cover will be mended on Friday this week.

Children in Need

To celebrate this year's Children in Need (if a little late) we will be holding an 'Odd Sock' Day this Friday – 23rd November

The fine will be a minimum of £1

Be as creative as you like...with your socks!

Sports Tournaments

Congratulations to our Alternative Olympians, who returned with a Gold Medal last week following a competition at Park House.

Well done also to our football and Sportshall Athletic teams who were a credit to the school over the weekend.

Reminder

Please try to be considerate of the school's neighbours when parking at pick-up time

Thank you
