

The new year is already gathering pace so before last term is totally forgotten, we wanted to let you know we raised £1,266 thanks to your generosity at our Christmas activities and what is coming up for the rest of this term.

West Berkshire Lotto

The council has started its own lottery where local good causes can sign up to benefit from ticket sales and most importantly, every ticket bought has the chance of winning up to £25,000! Tickets cost a pound and draws are weekly. We'll be sending out a text message with the link to the site so anyone who wants to can join in. Alternatively, you can just google West Berkshire Lottery and the site will pop up in your browser. Don't forget to name the school as the charity you want to benefit when you buy your ticket.

Tesco Bags of Help

Tesco in Hungerford has chosen us to be one of its Bags of Help causes for March and April so if you're shopping don't forget to grab a blue token and put it in the box. You might even want to pick up two or three (not that I ever do that obviously...).

Coming up next half term...

Juniors Disco

The Juniors have asked us if they can have a disco so we'll be arranging that after half term. We'll need some Junior's parents to help at this event so if you can, please let one of the PSA know.

Infants and Junior Easter Egg Hunts

The Infants and Juniors will also be having fun with an Easter Egg hunt tailored for each group! More details to follow shortly.

And of course there'll be the usual cake and second hand uniform sales.

All our events need people to help before and on the day so if you have even a spare half hour you could use to help us, or can just make some cakes when we have a cake sale, we'd love to hear from you! Email us: at inkpenprimarypsa@gmail.com
