

Walk to School Week

We will be holding a "Walk to School Week" from Monday 20th May. I know a lot of you live a little too far away to actually walk to school; however, we will be putting on a walking bus every morning from the Rec. As well as staff, we will have some Y6 helpers to walk with us. Parents are also more than welcome to join us every morning.

Staff will arrive at the Rec from 8.35 onwards and we will leave there to walk to school at 8.45am.

It looks like some hotter weather might finally be here.....

Please then can you ensure that all children have a water bottle and hat in school.

Unfortunately, we are unable to also unable to put sunscreen on the children; a long lasting one that can be put on before school is always good or your child may bring some in to apply themselves

Lost Keys

Mrs Tillett has had 2 keys on a green band handed in. Please claim if they belong to you

Parent Questionnaire

By now, you will have all received our questionnaire. Please check bags if you have yet to see one, or come in and get another from Mrs Tillett. We are continually striving to improve the environment and learning opportunities for your children and welcome your comments.

Reminder

We break up for half term on Thursday 23rd May. Friday 24th is an INSET day for Staff.

Children are due back on Monday 3rd June
