

Summer Fair

Thank you so much to everyone who helped to make the summer fete such a relaxing and enjoyable experience for all, especially those members of the PSA who worked tirelessly preparing everything in advance. We raised over £2000, which is fantastic!

I would also like to say Thank you to Jo Kempshall for liaising with Tesco so we were able to be involved in their token scheme. We have been given £2000 from this towards the new climbing equipment.

Enrichment Week

Our enrichment week this year will take place in the week beginning July 8th. During this time, the children will be learning all about Inkpen – the history and geography of our lovely village. To make this learning more exciting for the children, our aim is be out and about in the village and so we will be taking the children out walking as much as possible. It would be lovely if parents wanted to join us on these trips – please let your child's teacher know if you are able to join us.

Monday 8th July Years 3, 4, 5 & 6 will be visiting Kirby House.

Leaving school at 12.00 we will be having a picnic lunch when we arrive and then be shown around the gardens. The children will need to be picked up at 3.00pm so that there is time to get back to school for any younger children. A map will be available if you do not know where Kirby House is.

Wednesday 10th July years 2, 3, 4, 5 & 6 will be walking to Walbury Hill

For this trip, the children will be leaving school at 11.00 and taking their packed lunch. We will have a picnic and then the children will need to be picked up from Walbury Hill car park near the bottom of the Gibbet track, at 2.45pm. We would really appreciate extra adults on this trip. It is quite a long walk but we will take it slowly, enjoy the scenery and learn a little more about our local area.

Thursday 11th July

We will be having a whole school walk to Manor farm, where we will enjoy a little snack prepared by the children during the morning (normal lunches will still be required) and take part in some Geography activities devised by Mrs Edwards.

Please could you make sure that your child wears suitable footwear on the days they go out.

Packed lunches will be available to order on these days from the kitchen if your child normally has school dinners.

If anyone has any spare, plastic, wool, fabric or any recycled material that might be suitable for weaving, please could you send it in with your child.

Sharing Assembly

On Friday 12th July we would then like to invite all parents to a sharing assembly where each class will tell a little of what they have learnt during the week.

This will be at 2pm and children will be allowed to leave at the end with parents.
