Thank you also to everyone who came to our family learning afternoon – the children always enjoy sharing their learning with parents!

Congratulations to our Alternative Olympics Team!

The Team, Aprilio, Emily, Lawrence, Rufus, Skye & Rhys won Gold at the recent tournament at Park House.

What was especially pleasing was the message from a member of staff from another school, saying how well behaved and sporting our team was.

Well done Team!

Thank you also to Karina, who accompanied the children.

Author Visit

Last week also, the children in Years 1 to 4 had a visit from local author Simon Murray. Whilst here, he spoke to them about how important it is to read as much as possible and then showed them how to create cartoons, like the ones he illustrates his books with. The results were a huge success and the children were really proud of their achievements!
