

Newsletter 2nd December 2020

Dear Parents and Carers,

Thank you all for observing our social distancing guidelines outside school, when dropping off and picking up children. As I have said before – we have been lucky not to have had any Covid cases in school so far and observing all the guidelines will help us remain so. Now that the most recent lockdown is over, the 2-family bubble for picking up children will no longer apply, although we still need to know if your child is being picked up by someone else. Other than this, arrangements in school are the same as they have been all term. We are now in tier 2 though, with all the new and different restrictions that this entails for us all outside school. Hopefully, we will move back to tier 1 fairly quickly!

Just a reminder - we need all the forms in for our Christmas dinner by this Friday. It may be very different from previous years for the children but hopefully we will manage to make it just as much fun! We will be having our Christmas jumper day on Wednesday 16th December to coincide with this.

Look out for further emails with more Christmas arrangements towards the end of term...

Thank you, as always for your patience and support,

Mrs K
