

It's almost Christmas – hooray!

The PSA has had a good term raising just over £540 with our activities. And now we're going to spend some... Some of the funds will be spent in the new year on improvements to the outdoor areas around school. But first we want to help the children finish the year on a high so are arranging a number of Christmas treats in the run up to the holidays!

## Panto time!

During the last week of term each class will be able to stream an online Panto to enjoy with popcorn and ice cream. The pantomime is Jack and the Beanstalk and promises to have all the traditional panto antics!

## Santa's Visit

While Santa isn't allowed to visit in person this year, he will be leaving presents for everyone to collect as they leave school for the holidays. And we're hoping he might leave some other Christmas treats at the same time too. We'll have to wait and see...

## Christmas Raffle

This year we have a new kind of raffle running. More information will be coming home soon.

## Inkspots' Christmas Treasure Trail Challenge

Inkspots are running a Christmas Treasure Trail around the village all over the holiday. Maps cost £3 and are available from Keri and Rachel at the school gates, from the Honesty Coffee Shop or by contacting [friendsofinkspots@outlook.com](mailto:friendsofinkspots@outlook.com). It'll be a great way to work off a few mince pies while keeping everyone entertained!

If you have any fun fundraising ideas to support school, please grab one of us if it's safe to do so! Or you can email us at [inkpenprimarypsa@gmail.com](mailto:inkpenprimarypsa@gmail.com). We'd love to hear from you.

Have a great break and fingers crossed for a better 2021!
