

Inkpen is a caring, family-centred school. Individuality is celebrated in a secure and happy environment, where all children are encouraged to grow into confident, independent learners, challenging themselves to discover and develop their own gifts and talents in order to realise their full potential. Academically we strive for the very best in each child. Children are guided by our learning behaviours to care for and respect one another in all aspects of school life, developing a greater awareness and respect for people all over the world as well as promoting links between home, school and the village of Inkpen.
